Excerpts of relevant rules:

Registration in OCCaP portal is mandatory for students interested in securing job or internship using our portal.

ALL students seeking internships during 2019 may register for **internships** during sign-up.

By signing in this form, the advisor agrees to relieve the student for a period of three months(May – July) to visit industries for internships if the profile of the internship offered matches with the background of the student. By signing in this form, the student agrees to keep confidentiality of the research work while interacting with industries.

For detailed rules for interacting with OCCaP for jobs or internships, please visit OCCaP website.
