

Consent Letter

Registration in OCCaP portal is mandatory for students interested in securing a job or internship using our portal.

ALL students seeking internships during season 2024 may register for internships during sign-up.

By signing in this form, the advisor agrees to relieve the student for a period of three months to visit/engage with industries for internships if the profile of the internship offered matches with the background of the student. By signing in this form, the student agrees to keep confidentiality of the research work while interacting with industries.

For detailed rules for interacting with OCCaP for jobs or internships, please visit OCCaP website.
